

I have studied.

**Detoxification**<sup>23</sup> is of utmost importance, and **continued deterioration can be expected if toxins remain.** Glutathione is the body's most important anti-oxidant and detoxifier<sup>24</sup>, and toxins deplete it and can cause a vicious circle of lower and lower glutathione. It can be increased by supplementing with N-acetyl cysteine<sup>25</sup> and antioxidants such as alpha-lipoic acid<sup>26</sup>, vitamins C & E, astaxanthin<sup>27</sup>, grape seed extract, etc. Search "autism glutathione" for more details, and "autism chelation", another method for detoxifying heavy metals. ToxDetox<sup>28</sup> suppositories combine glutathione and chelation and could be very effective.

God has told us that "... *in the last days perilous times shall come.*" 2 Timothy 3:1, and prophesied to get worse. The salvation of your eternal soul is a personal matter between you and God and does not depend on rites, traditions, human effort or belonging to any church, religion or organization: "*For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works...*" Eph. 2:8-9  
No matter what kind of person you are or

what you have done: "*If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness.*" 1 John 1:9 Pray today to put your faith in Jesus Christ alone: "*For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life.*" John 3:16 Then study the Bible to live in obedience to God: "...*if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come.*" 2 Cor. 5:17
