

COVID-19: Just a Foretaste

COVID-19 is very **mild** compared to the future **Tribulation**: “...*given power over a fourth of the earth to kill by sword, famine and plague...*” [Rev 6:8](#)

We now know that COVID-19 can be very dangerous, especially for the aged. But at first little was known about it, so it was probably wise then to play it safe and impose quarantines.¹ But now we know it is no more serious than the ordinary flu:²

Age Group	Death Rate	per 100,000
0-19	.0033%	3.3
20-49	.02%	20
50-69	.5%	500
70+	5.4%	5,400

But the mainstream media seem to have **provoked** the pandemic, and the numbers appear deliberately **exaggerated**. Since it is **new** few would have resistance to it, so it would be **expected** to be

extra contagious. That so many have **mild** or **no** symptoms is probably part of the deception, so that **everyone** is suspected of being contagious, with symptoms or not, **heightening** the fear.

If the tests gave a high rate of **false positives**,³ it would be **little** noticed with the alleged mild or no symptoms. Also, recipients of the flu **vaccine** often test positive,⁴ infected with COVID-19 or not, giving an obvious **exaggeration**.

For COVID-19, the rules have been relaxed so that the cause of death be listed as COVID-19, whether lab confirmed or **assumed, irregardless** of other medical conditions.⁵ So death by ordinary **flu** could **easily** be counted as COVID-19.

But the large **financial** incentives of tens of **thousands** of dollars each case to report as COVID-19, plus the relaxed rules, plus profitable elective treatments being mostly postponed, ensures much **exaggeration** for more **revenue**.

It is important to note that an estimated 24,000 to 62,000 **flu** deaths will occur per year in the USA.⁶ But that estimate is exaggerated by about 6 times.⁷

What seems overlooked is that impairing the **economy** and **unemployment** can

soon cause **more** harm than the disease itself.⁸

Dr. Anthony Fauci of the White House Coronavirus Task Force, **illegally** funded research in China to make pathogens more virulent.⁹ So we rely on a **criminal** and cronies, probably with a hidden agenda.

Recently the CDC reported that 6% of deaths listed only COVID-19, so that 490,000 would really be about **29,400**, much less **alarming**.¹⁰

We know the horrible atrocities of **Stalin, Hitler, Mao**, etc. while **evil** is **restrained**. But **soon**: “... [*the restrainer will be*] *taken out of the way.*” [2 Thess 2:7](#) So this is just a small foretaste of the future.

In summary, we can **not** fully trust the news and government. With the **inaccurate** testing and **exaggerated** numbers, it is impossible to know the real danger of COVID-19, but the **deception** suggests it is much **less** than reported, and the numbers are much **exaggerated**. Most, who distrust the media in general,¹¹ carefully observe the rules, showing they really believe the **deception**. But don't be **naive** and accept the news at face value.

In fact some commentators are using strong words such as **hoax**¹² and **crime**.¹³ This shows how **fear** can be stirred up to control the masses, in preparation for the soon coming **Tribulation**. No doubt there will be more pandemics of an increasingly serious nature.

Perhaps the most bizarre doctrine of Biblical Christianity is the **Rapture**: "...the Lord himself will come down ...we... will be caught up...to meet the Lord in the air. And so we will be with the Lord forever. Therefore **encourage** one another with these words." [1 Thess 4:16-18](#) If we had to endure a horrible Tribulation first, would these be encouraging words? Most likely **not**.

So it is clear to me that the Rapture will be **before** the Tribulation, and true believers in Jesus Christ will **not** have to face the coming horrors. So, **don't** be left in the **Rapture**, and also experience the peace of God in troubling times, starting **now**.

"...*impostors will go from bad to worse, deceiving and being deceived.*" [2 Tim 3:13](#) So, we should not be surprised at increasing deception, but rather **expect** it. To guide your priorities, remember life

on earth is **temporary**, and salvation is **forever**.

The **salvation of your soul** is personal between you and God and does not depend on rites, clerics, traditions, good works, baptism, or belonging to any church or religion: "*For it is by grace you have been saved, through faith, and this is not from yourselves, it is the gift of God, not by works...*" [Eph 2:8-9](#) No matter what kind of person you are or what you have done: "*If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.*" [1 John 1:9](#) Pray today to put your faith in Jesus Christ alone: "*For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.*" [John 3:16](#) Then study the Bible to live pleasing to God: "...*if anyone is in Christ, the new creation has come: The old has gone, the new is here!*" [2 Cor 5:17](#)

Please pray like this with all sincerity: "Dear Lord Jesus, I confess I am a sinner, and I ask for your forgiveness. I believe you died to forgive my sins and rose from the dead. I trust and follow

you as my Lord and Savior. Please guide my life and help me to do your will. In the name of my Lord Jesus Christ, Amen."
