

# The Great Culling

“...in the last days difficult times will come.”

[2 Timothy 3:1](#)

The **Georgia Guidestones**<sup>1</sup> are “ten commandments” engraved in eight languages. The first is: “Maintain humanity under 500,000,000 in perpetual balance with nature.” In other words, they are advocating the elimination of 7 billion people. **This will not happen without purposeful action.**

The Georgia Guidestones

By the **Theory of Evolution** there is no personal God and humans are mere animals. As you would exterminate excess deer from an overgrazed forest, so excess humans must be eliminated. The Georgia Guidestones tell us what the powerful elite of the world have planned<sup>2</sup>, and are actually doing right now.

I am sure the vast majority of us are simply motivated to earn a good living and do good. Most are easily fooled by the “experts”, allowing the system to be manipulated by

financial and other incentives towards the goals of the powerful elite. Furthermore, they believe they are doing great good by restoring the earth to its pristine beauty where everyone (who will remain) will live in quality and abundance. Following are a few examples of doing this:

A main reason for **Genetically Modified Food**<sup>3</sup> (GMO) is to make the plants resistant to the herbicide, Roundup<sup>4</sup>, to eliminate weeds without plowing. The plants and crops then absorb the active ingredient, **glyphosate**<sup>5</sup>, which accumulating over time is highly toxic to your health and reproductive system. There are other problems also, and we eat it every day, and animals eating it show many pathological effects<sup>6</sup>. Can there be any doubt it will shorten your life?

The science of **Vaccines** is certainly valid when properly applied, but in evil hands can you imagine a more fearsome weapon? 1) The Philippine Supreme Court ruled that by using vaccines UNICEF sterilized 3,000,000 women<sup>7</sup> without their knowledge, 2) They were caught doing the same in Africa<sup>8</sup>, 3) Bill Gates has stated publicly<sup>9</sup> that he promotes same, 4) The HPV vaccine is very similar to a vaccine patent for sterilizing mammals<sup>10</sup>, and cases have now been reported of women with all their eggs dead<sup>11</sup> following this vaccine, and 5) The evidence leaves no doubt that vaccines cause autism and brain damage<sup>12</sup>.

A Rat Fed GMO Corn

Why would you take **Statins**<sup>13</sup> (to lower cholesterol) if the manufacturers themselves say they do not prevent heart disease or heart attacks?<sup>14</sup> They cause many serious side effects such as cataracts and diabetes<sup>15</sup>, and can shorten your life by progressively weakening your heart muscle<sup>16</sup> until it can no longer beat. Your doctor trusts the system, and is very probably fooled also.

**Artificial Sweeteners:** Aspartame<sup>17</sup> (sold as Nutrisweet, Equal, etc.) is toxic to your nerves and brain, and the following disorders are directly connected to it: Epileptic seizures, headaches and migraines, severe depression including suicidal tendencies, dizziness and vertigo, aggression, anxiety, phobias, irritability, personality disorders,

## A 2009 TV Ad

confusion, memory loss, slurring of speech, hyperactivity, irreversible brain damage, mental retardation. From [mercola.com](http://mercola.com): If you have unexplained health problems, stop using all artificial sweeteners for two weeks. Then start back using them one by one and notice how you feel with each.

These are my personal beliefs and **none of this can be considered medical advice** since I am not a medical doctor.

Don't take my word for it but check the evidence for yourself. Then take action to protect yourself and loved ones and warn others, because for sure it won't be stopped. It won't be easy, but you can still protect yourself from most of the worst dangers.

But complete protection is only from God: The **Salvation of your soul** is personal between you and God and does not depend on rites, clerics, traditions, good works or

belonging to any church or religion: *"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works..." Eph 2:8-9* No matter what kind of person you are or what you have done: *"If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness."* [1 John 1:9](#) Pray today to put your faith in Jesus Christ alone: *"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life."* [John 3:16](#) Then study the Bible to live pleasing to God: *"...if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come."* [2 Cor 5:17](#)  
**Please pray like this with all sincerity:**  
"Dear Lord Jesus, I confess I am a sinner, and I ask for your forgiveness. I believe you died to forgive my sins and rose from the dead. I trust and follow you as my Lord and Savior. Please guide my life and help me to do your will. In the name of my Lord Jesus Christ, Amen."

**Please read this and share it.**
